Social movement music, both old and new.
Music, art and culture are central to the work of building the Poor People’s Campaign: A National Call for Moral Revival and are essential for moving people’s hearts and minds.

Song is one of the most powerful ways we have to unite people across difference, help share the message of a movement and build a collective identity. Movement music can help build confidence and courage in challenging situations, and help shape the atmosphere and set the stage for the spirit to transform our communities and our actions.

We Rise: A Movement Songbook draws on a rich history of social movement music, both old and new. From Spirituals to Labor songs, from Freedom Songs of the Civil Rights Movement to the music rising up from our struggles today, this compilation of movement music is meant to give people ways to join. To remember. To affirm. To honor. To rage. To celebrate. To practice new ways of being in relationship with one another and the earth. To envision and create a world that is just and habitable for future generations.

We offer this songbook as a gift to the movement in hopes that the practice of raising our voices together will enable us to honor our pasts, learn from one another, and begin to envision a just society where Everybody and Being has a Right to Live!
Love is here. Truth is here. Change is here. We are the change.
SING ON
JUST A LITTLE WHILE LONGER
The Poor People’s Campaign: A National Call for Moral Revival is bringing together people across the country who are organizing to build a broad and deep national moral movement — led by the poor, impacted, clergy and moral agents and reflecting the great moral teachings — to unite our country from the bottom up.

50 years ago, Rev. Dr. Martin Luther King and others called for a “revolution of values” in America, inviting people who had been divided to stand together against the “triplets of evil”— militarism, racism, and economic injustice — to insist that people need not die from poverty in the richest nation to ever exist.

The Poor People’s Campaign: A National Call for Moral Revival draws on the history, vision and unfinished work of the 1968 Poor People’s Campaign and take as our task reigniting that campaign to unite the poor, disenfranchised, and marginalized across difference to take action together and become what Dr. King called “a new and unsettling force in our complacent national life.”

On May 13, 2018, the Campaign launched 40 days of moral action in over 38 states and Washington D.C. By engaging in coordinated and collective nonviolent civil disobedience and direct action across the nations, we will confront the enmeshed and inseparable evils of systemic racism and other forms of discrimination, poverty, the war economy, and ecological devastation; begin to shift the distorted moral narrative of our nation; advance common demands for transformative change; and build power to continue this fight for years to come.

   We're making an about face
   We won't fall in, NO
   We're making an about face

We won't fall in on a system that was built to kill
   It's a powerful force, but we've still got free will
   We're rising up with the people gonna
   take the wheel
   We won't give up! Gonna turn this thing around

We won't fall in, NO

Marching towards true freedom and equality
   Tearing down toxic cycles of supremacy
   Dismantling complex military industries
   Together now! Our work will right the wrongs

Everybody's Got a Right to Live  
Sarah Farahat, 2017
We who believe in freedom cannot rest
    We who believe in freedom cannot rest until it comes

Until the killing of black men,
    black mothers' sons
Is as important as the killing of white men, white mothers' sons

That which touches me most is that
    I had a chance to work with people
Passing on to others that which was passed on to me

To me young people come first,
    they have the courage where we fail
And if I can but shed some light as they carry us through the gale

The older I get the better I know that
    the secret of my going on
Is when the reins are in the hands of the young, who dare to run
against the storm

Not needing to clutch for power,
    not needing the light just to shine on me
I need to be one in the number as we stand against tyranny

Struggling myself don't mean a whole lot, I've come to realize
That teaching others to stand up and fight is the only way my struggle survives

I'm a woman who speaks in a voice
    and I must be heard
At times I can be quite difficult,
    I'll bow to no man's word

We who believe in freedom cannot rest
    We who believe in freedom cannot rest until it comes

Optional versus:

We are down in Washington
Feeling mighty sad*
Thinking bout an income
That we never had

Everybody’s got a right to live...

Now a’look here Congress
This is a brand new day
No more full-time work
And no more part-time pay

Everybody’s got a right to live...

No more some be rich
While others be dirt poor
All around the world
We say Poverty No More!

Everybody’s got a right to live...

We haven’t got much time left
The sands are running out
“Peace, Justice Freedom
You can hear the whole world shout!”

Paul and Silas, bound in jail
    Had no money for to go their bail
    Keep your eyes on the prize, hold on
    Hold on, (hold on), hold on, (hold on)
    Keep your eyes on the prize, hold on!

Paul and Silas began to shout
    Doors popped open, and they walked out
    Keep your eyes on the prize, hold on
    Hold on, (hold on), hold on, (hold on)
    Keep your eyes on the prize, hold on!

Well, the only chains that we can stand
    Are the chains of hand in hand
    Keep your eyes on the prize, hold on

Got my hand on the freedom plow
    Wouldn’t take nothing for my journey now
    Keep your eyes on the prize, hold on!
    Hold on, (hold on), hold on, (hold on)
    Keep your eyes on the prize, hold on!
    Hold on, (hold on), hold on, (hold on)

The day’s gonna come when I won’t march no more
The day’s gonna come when I won’t march no more
But while my sister ain’t equal & my brother can’t breathe

There’s my father
Marching with me
There’s my mother marching on til the people are free

Are you marching with me?
Well Mayor Hodges
Are you marching with me?
Is that my senator
Marching with me?
Come join my family marching on toward equality

Maybe tomorrow
When the people are free
Maybe tomorrow
We’ll have equality
Maybe tomorrow

Til then my voice will fill the streets let the people be free

I’M GONNA WALK IT WITH YOU  I’M ON MY WAY (TO
FREEDOMLAND)  I’M GONNA LIFT MY BROTHER UP
IN MY HEART  IT DOESN’T HAVE TO BE LIKE THIS
I am not afraid
    I am not afraid
    I will die for liberation
    Cause I know why I was made

I will stand for liberation...
    I will march for liberation...
    I will sing for liberation...
I believe in being ready
   I believe in being ready
   I believe in being ready
   For the time is drawin near

I believe in being ready...

Brothers, sisters please get ready...

Oh there'll be signs of wonder...

We believe in being ready...
I gotta feeling, everything’s gonna be alright
I gotta feeling, everything’s gonna be alright
I gotta feeling, everything’s gonna be alright
Be alright, be alright, be alright
I love everybody
I love everybody
I love everybody in my heart
I love everybody
I love everybody
I love everybody in my heart
I don't know how my mother walked her trouble down
I don't know how my father stood his ground
I don't know how my people survive slavery
I do remember, that's why I believe

I don't know why the rivers overflow their banks
I don't know why the snow falls and covers the ground
I don't know why the hurricane sweeps through the land
Every now and then
Standing in a rainstorm, I believe

I don't know why the angel woke me up this morning soon
I don't know why the blood still runs through my veins
I don't know how I rate to run another day
I am here still running, I believe

My God calls to me in the morning dew
The power of the universe knows my name
Gave me a song to sing and sent me on my way
I raise my voice for justice, I believe
We will not bow down to our racism
We will not bow down to injustice
We will not bow down to exploitation

Whatcha gonna do?
I’m Gon’ Stand!
I’m Gon’ Stand!
I’m Gon’ Stand!
I’m Gon’ Stand!

I just can’t tolerate racism
I just can’t tolerate injustice
I just won’t tolerate exploitation

Whatcha gonna do?
I’m Gon’ Stand!
I’m Gon’ Stand!
I’m Gon’ Stand!
I’m Gon’ Stand!

We will not obey racism
We will not obey injustice
We will not obey exploitation

I’m Gon’ Stand!
I’m Gon’ Stand!
I’m Gon’ Stand!
I’m Gon’ Stand!
Well it looks like it might be a hard road
But I’m gonna walk it with you
And I know you might have
a heavy load
But I can carry some too

I will lift you up when they push
you down
I will raise my voice and stand
my ground
Well it looks like it might be
a hard road
But I’m gonna walk it with you

Well it looks like it might be a long night
But I ain’t goin’ nowhere
And I know it’s gonna be a hard fight
But I will stay right here

Well it looks like it might be a long night
But I ain’t goin’ nowhere
And I know it’s gonna be a hard fight
But I will stay right here

I will shine a light in the darkest hour
I will face the man in the
tallest tower
Well it looks like it might be
a long night
But I ain’t goin’ nowhere

I will work! I will fight!
I will strive in the name of love
I will speak! I will shout!
I will sing it to the skies above

Well it looks like it might be a perilous climb
But I will follow your lead
And I know it might be a long time
Until the last one of us is freed

But I will hold on tight, stay by your side
I will be with you for this whole
damn ride
Well it looks like it might be a perilous climb
But I will follow your lead

Well it looks like it might be a hard road
But I’m gonna walk it with you
And I know you might have
a heavy load
But I can carry some too

I will lift you up when they push
you down
I will raise my voice and stand
my ground
Well it looks like it might be
a hard road
But I’m gonna walk it with you

I’m gonna walk it with you
I’m gonna walk it with you
I will walk! I will climb!
Shine my light the whole
night through
Because it looks like it might be
a hard rod
But I’m gonna walk it with you

I'm on my way, oh yes,
I'm on my way

It's an uphill journey
But I'm on my way...
I'm on my way, oh yes,

Please swallow your pride
    If I have things you need to borrow
    For no one can fill those of your needs
    That you won't let show

You just call on me brother, when you need a hand
    We all need somebody to lean on
    I just might have a problem that you'll understand
    We all need somebody to lean on

Lean on me, when you're not strong

Oh, freedom
  Oh, freedom
  Oh, freedom over me

And before I'd be a slave
  I'd be buried in my grave
  And go home to my Lord
  And be free

No more weeping
  No more weeping
  No more weeping over me

And before I'd be a slave
  I'd be buried in my grave
  And go home to my Lord
  And be free

Oh justice...
No more poverty...
No more war...

Organize organize organize
Organize organize organize
Organize organize organize

Cause we want people for our children
Free education and the right to dream (repeat)

(Chorus)
Cause we want justice for our people
We want clean water and air we can breathe (repeat)

(Chorus)
Cause we want justice for our people
The right to housing and our dignity (repeat)

(Chorus)
Cause we want justice for our people
And you only get what you’re organized to take
(repeat)

(Chorus)
Our hands will reach equality
   Our hands will touch the will touch the sky
And we can lift each other u
   If we just organize
All we gotta do is organize
   What we're gonna do is organize
   All we gotta do is organize
   What we're gonna do is organize

And there ain't no stopping us now
   We're on the move, we're coming through
And there ain't no stopping us now
   We're on the move, we're coming through
We're gonna rise
   We're gonna rise
   We're gonna rise
   We're gonna rise
Over my head
I see freedom in the air
Over my head

Over my head
I see freedom in the air
There must be a God somewhere
or
A Change is coming out there

I see justice...
I see peace...
I hear singing...

The people gonna rise like the water

We're gonna face this crisis now

I hear the voice of my great-granddaughter

Saying keep it in the ground
READY FOR CHANGE TO COME
REVEALING THE TRUTH
RICH MAN'S HOUSE
RICH MAN'S STRATEGY
RISE FOR ALL CREATION
YOU ONLY GET WHAT YOU’RE ORGANIZED TO TAKE

National Union of the Homeless
I wanna be ready for change to come
  I wanna be ready for change to come
  I wanna be ready when it comes
  Wanna be ready when it come
  I wanna be ready for change to come

Do you wanna be ready for change to come...
  Yes I wanna be ready for change to come...
  We need to be ready for change to come...
  We better be ready for change to come...
  Yes we’re gonna be ready for change to come...
We're revealing the truth
and we're healing the pain
come and join the poor people's campaign
Well I went down to the rich man’s house
And I took back what he stole from me
I took back my dignity
Took back my humanity

Well I went down to the rich man’s house
And I took back what he stole from me
I took back my dignity
Took back my humanity

Now it’s under my feet (Where?)
Under my feet (Where?)
Under my feet (Where?)
Yea, it’s under my feet
Ain’t no system gonna walk all over me

Went down to the governor’s house...
Went down to the congress...
Went down to the president’s house...
Went down to the jailhouse...
Went down to the housing office...
Went down to the ICE office...
When they try to teach us, to fear our neighbor
Please remember, our history
Workers divided
By race and hatred

It's that same old rich man's strategy
It's that same old rich man's strategy

Now all poor folk, are gonna get free

SOMEBODY’S HURTING MY BROTHER

SOMEBODY’S HURTING MY BROTHER
STRANGE THINGS

SENDING YOU LIGHT
I am sending you light
To heal you, to hold you
I am sending you light
To hold you in love

I walk the path with you
Go slow dear one, don’t hurry
I’ll go just like you need to do
There is no need to worry

I am sending you light
To heal you, to hold you
I am sending you light
To hold you in love
Shake shake shake, shake injustice off
   Shake shake shake, shake injustice off
   Shake shake shake, shake injustice off
   In the name of freedom, shake injustice off

No, no, no, we don’t want the wall
   No, no, no, we don’t want the wall
   No, no, no, we don’t want the wall
   In the name of freedom, we don’t want the wall
Somebody's hurting my brother
and it's gone on far too long
Yes, it's gone on far too long
It's gone on far too long
I said, somebody's hurting my brother
and it's gone on far too long
And we won't be silent anymore

Somebody's hurting my sister
and it's gone on far too long
Yes, it's gone on far too long
It's gone on far too long
I said, somebody's hurting my sister
and it's gone on far too long
And we won't be silent anymore

Somebody wants to build that wall...
Somebody's hurting poor people...
Somebody's hurting our children...

Somebody's poisoning the water
Somebody's ignoring the homeless...
Somebody's closing our borders...
Somebody's hurting our families...
Nobody's feeding the hungry...

Strange Things

Our health, our lives, our bodies not for sale
The governor’s promises, each one has failed
Strange things have happened here no stranger would it be
If we built a system good for you and me

Our health, our lives, our bodies not for sale
We struggle to change a system that has failed
Strange things have happened here no stranger would it be
Healthcare is a human right, a right for you and me

In desperation we found freedom
In freedom we found love
In love we found devotion
In devotion spirit found us
THERE'S A NEW WORLD COMING OVER
THIS LAND IS YOUR LAND
THIS LITTLE LIGHT OF MINE
THIS MAY BE THE LAST TIME
THE PEOPLE WILL RISE
THERE'S A NEW WORLD COMING OVER
THIS LAND IS YOUR LAND
THIS LITTLE LIGHT OF MINE
THIS MAY BE THE LAST TIME
THE PEOPLE WILL RISE
THERE'S A NEW WORLD COMING OVER
WE ARE THE ONE’S WE’VE BEEN WAITING FOR
Why are we in this situation
  In this situation that will bring us down
  Can’t you see we are losing patience
  We are losing patience with oppression now

And the people will rise
  The people will rise
  The people will rise

The people will rise
  The people will rise
  The people will rise
There's a new day coming
Everything's gon' be turning over
Everything's gon' be turning over
Where you gon' be standing when it comes?

There's a new day coming
Everything's gon' be turning over
Everything's gon' be turning over
Where you gon' be standing when it comes?

For far too many years
I've been marching, singing, and talking
Doing things I thought would make me free
While people halfway around the world
They've been fighting and dying and bleeding
And now it seems that they are gonna be

There's a new world coming
Everything's gon' be turning over
Everything's gon' be turning over
Where you gon' be standing when it comes?

You know the book, the Bible?
You read it and you'll see
It will surely come to pass
This is how it's gonna be

Those that were weak and humble
Would come to goin the earth;
Them that shuddered at the bottom
Would rise and rule the world

There's a new world coming
Everything's gon' be turning over
Everything's gon' be turning over
Where you gon' be standing when it comes?

The nations of Asia and Africa
They're taking over their lives
The sisters and brothers south of us
Are finally gettin' wise

Then take a look, United States
Of the North American clime
Your strange mixture of wealth and hate
You won't be exempt this time

There's a new world coming
Everything is turning over
Everything is turning over
Where you gon' be standing when it comes?

There's a new world coming
Everything's gon' be turning over
Everything's gon' be turning over
Where you gon' be standing when it comes?
This land is your land
  This land is my land
  From California
  To the New York Island
  From the Redwood Forest
  To the gulf stream waters
  This land was made for you and me

As I went walking
  I saw a sign there
  And on the sign it said, “No Trespassing”
  But on the other side
  It didn’t say nothing
  That side was made for you and me

In the shadow of the steeple
  I saw my people
  By the relief office, I seen my people
  As they stood they hungry,
  I stood there asking
  Is this land made for you and me?

Nobody living can ever stop me,
  As I go walking that freedom highway;
  Nobody living can ever make me turn back
  This land was made for you and me
This little light of mine
I’m gonna let it shine
This little light of mine
I’m gonna let it shine
This little light of mine
I’m gonna let it shine
Let it shine, let it shine, let it shine

Everywhere I go
I’m gonna let it shine…

All across the world
I’m gonna let it shine…

All over (insert city/ state) …
This may be the last time
This may be the last time children
This may be the last time
It may be the last time I don't know
This may be the last time we all sing together
It may be the last time I don't know
This may be the last time we all pray together
It may be the last time I don't know
This may be the last time
This may be the last time children
This may be the last time
It may be the last time I don't know
This may be the last time we all march together
It may be the last time I don't know
This may be the last time we all shout together
It may be the last time I don't know
This may be the last time
This may be the last time children
This may be the last time
It may be the last time I don't know

If Not Now

We rise, humbly hearted
Rise, we won’t be divided
Rise, with spirit to guide us
Rise

In hope, in prayer, we find ourselves here
In hope, in prayer, we’re right here
In hope, in prayer, we find ourselves here
In hope, in prayer, we’re right here

And we rise, all of the children
Rise, elders with wisdom
Rise, ancestors surround us
Rise

In hope, in prayer, we find ourselves here
In hope, in prayer, we’re right here
In hope, in prayer, we find ourselves here
In hope, in prayer, we’re right here

And we rise, up from the wreckage
Rise, with tears and with courage
Rise, fighting for life
We rise

In hope, in prayer, we find ourselves here
In hope, in prayer, we’re right here
In hope, in prayer, we find ourselves here
In hope, in prayer, we’re right here

We rise, humbly hearted
Rise, we won’t be divided
Rise, with spirit to guide us
Rise
We shall not give up the fight we have only started

We have only started
  We have only started

We shall not give up the fight we have only started

We have only started
  We have only started

Together we'll have victory

Hand holding hand
  Hand holding hand
  Hand holding hand

Never ever put to flight

We're bound to win
  We're bound to win
  We're bound to win

Never ever put to flight

We're bound to win
  We're bound to win
  We're bound to win
We’ve been ‘buked and we’ve been scorned,
    We’ve been talked about, sure ‘s you’re born.
But we’ll never turn back,
    But we’ll never turn back
Until we have all been free.
    Til we have equality

We have walked through the shadow of death,
    We had to walk it all by ourselves,
But we’ll never turn back
    No we’ll never turn back
Until we have all been free
    And we have equality.

We have hung our heads and cried,
    Cried for the ones who had to die,
Died for you and died for me,
    Died for the cost of equality.
But we’ll never turn back
    Until we have all been free
No, we’ll never turn back,
    No, we’ll never turn back.
Come on all good workers
This year is our time
To tell the folks in Washington
What's been on our minds

Lord knows the free market
Is anything but free
It costs dearly to the planet
And the likes of you and me

Which side are you on now
Which side are you on
Which side are you on now
Which side are you on

Come one, come all voters
Let's all vote next time
Show 'em which side are you on now
Which side are you on

Are you part of the solution
Or are you part of the con?
Which side are you on now
Which side are you on?

Which side are you on now
Which side are you on
Which side are you on now
Which side are you on
As we work to, build this movement,
  There's a sound you can't control
  It's a cry for love and justice
  That when you hear it,
  makes you whole

In these times, when we're hurting
  Give us strength to know you're near
  Help us speak the truth to power
  And denounce use of fear

**Chorus**
Will the circle be unbroken
  By and by, oh, by and by
  There's a better way a-waiting
  If we try, lord, if we try

If we listen for the Spirit
  In these walls to pave our way
  We'll be guided by a vision
  And we won't be led astray

**Chorus**
Now we sing the songs of freedom
  Hymns of faith that make us strong
  They're the one's our mothers taught us
  Hear the angels sing along

**Chorus (2x)**
Woke up this morning with my mind
Stayed on freedom
Woke up this morning with my mind
Stayed on freedom
Woke up this morning with my mind
Stayed on freedom
Hallelu, Hallelu, Hallelujah.

I’m walking and talking with my mind
stayed on freedom
I’m walking and talking with
my mind
stayed on freedom
Hallelu, Hallelu, Hallelujah.

Ain’t nothing wrong with my mind
Stayed on freedom
Oh, there ain’t nothing wrong with
keeping my mind
Stayed on freedom
There ain’t nothing wrong with
keeping your mind
Stayed on freedom
Hallelu, Hallelu, Hallelujah.

I’m singing and praying with my mind
Stayed on freedom
Yeah, I’m singing and praying with
my mind
Stayed on freedom
Hallelu, Hallelu, Hallelujah.
